

The Global Series

The Global Series sessions, part of an on-going dialogue since 2010, address topics of global significance in the IP and Trade sectors at a senior level of discussion. Working closely with government representatives, adjudicators, corporate leaders, litigation leaders, academics, judges, and others in the global community, the Series responds, in real time, to emerging challenges. The on-going Series includes participants from Canada, the United Kingdom, France, Germany, Switzerland, Japan, the Republic of Korea, the United States, the People's Republic of China, Canada, Brazil, and other countries.
