

The Federal Circuit Bar Association®
Patent Litigation Committee Presents:

AVOIDING *DAUBERT* PITFALLS WITH TECHNICAL EXPERTS IN PATENT CASES

April 9, 2026
1:00 PM – 2:00 PM ET

Moderator:

Jordan P. Markham, Partner, Steptoe LLP

Panelists:

Rudolph (Rudy) Fink IV, Partner, The Davis Firm, P.C.

Azra Hadzimehmedovic, Partner, Tensegrity Law Group LLP

Nicole Williams, Senior Director of Intellectual Property & Litigation, 10x Genomics

Jennifer Ying, Partner, Morris, Nichols, Arsht & Tunnell LLP

Summary: This webinar will examine how courts are applying the amended Rule 702 to technical experts in patent litigation, with an emphasis on recent trends in key patent venues. Panelists will discuss common *Daubert* pitfalls and share practical strategies and war stories for selecting, preparing, and challenging experts, and building an admissibility record that can withstand trial and appeal.
